

Climate and Environmental group active in Teignbridge

Sustainable Bishop

<https://www.facebook.com/SustainableBishop/sustainablebishop@gmail.com>

https://sustainablebishop.com/?fbclid=IwAR0wMFsXu9Dn_nyaEaBd0rLmAy45mU48Yt5XysqDjhemQ6qHTtef5dzna60

We are a community group raising awareness of and organising local events relating to sustainability and combating climate change; Our Projects include Repair Cafe, Plastic Free, Bishop-Eco Bags, Parish Council Working Party and much much more

ACE – Ashburton Climate Emergency

Not much info – just an event hosted on the Ashburton hub. Spokesperson is Claire Tinnunt.

Plastic Free Ashburton

<https://www.facebook.com/groups/PlasticfreeAshburton/>

A community page to provide support, updates and information for Ashburton becoming a plastic-free town

Moreton Action Group for Sustainability

magsmoreton@gmail.com

To gather and disseminate practical information, advice and guidance about what individuals are able to do on a local basis to reduce carbon emissions: To provide contacts and links to other organisations concerned with climate change and carbon reduction; To work with other organisations on practical issues in pursuit of the Groups aim; To lobby national, regional and local government on relevant "green" issues that affect Moretonhampstead - and elsewhere. To facilitate the purchase in bulk renewable energy and similar items; To undertake other activities agreed by the Group in pursuit of carbon reduction

Moreton Action on Plastics (MAP)

Contact is Liz Prince - elizyprince@aol.com

A community group aimed at reducing single use plastics in Moretonhampstead.

Dawlish Against Plastics

Our aim is to achieve Plastic Free Community status from Surfers Against Sewage (SAS), for the Parish of Dawlish including Dawlish Warren, Holcombe and Cockwood. To do this, we need to involve community groups and get businesses to remove single use plastic items from sale or use. We also need to organise a fundraising event for SAS.

We promote reducing plastic use and encourage more re-cycling of plastic waste to all residents in the area.

dawlishagainstplastic@gmail.com

Plastic Free Bovey Tracey

We are working to reduce single-use plastics in Bovey Tracey. Established early 2018, we are now part of the Climate Emergency Bovey and Heathfield Group.

No information available.

Transition Newton Abbot

The Transition idea is fundamental to what we do. TNA is part of the [Transition Network](#) and a global Transition Movement which aim to transform the way we live our lives, and how we interact with our environment and each other. TNA is just one of the [hundreds of initiatives](#) across the world!

Some of the issues addressed by this movement include climate change and the environment; local and global economies; sustainable use of energy and renewable energy generation; and local food.
